Education

Universidad Nacional de San Luis   Villa Mercedes, San Luis, Argentina
Bachelor's Degree in Business Administration   *February 2021 - Present*
Knowledge: Accounting, Administration, Mathematical Analysis, Algebra, Law,
Argentine History, English, Computing, Statistics and Sampling, Microeconomics,
Macroeconomics, Sociology.

Universidad Nacional de San Luis   Villa Mercedes, San Luis, Argentina
University Technician in Financial Management   *February 2023 - Present*
Knowledge: Accounting, Administration, Mathematical Analysis, Human Resources, Law,
Financial Calculus, English, Computing, Statistics and Sampling, Microeconomics, Macroeconomics,
Tax Legislation and Techniques, Sociology, Financial Management, Analysis of Financial Statements,
Financial System, Strategic Management.

Universidad de La Punta   San Luis, Argentina
Full-Stack Java Programmer   *December 2022 - December 2023*
Knowledge: Logic and Programming, Relational Databases (MySQL),
Graphical Interfaces, JPA (Hibernate), Object-Oriented Programming,
Modularization (MVC Pattern), Teamwork, Git & GitHub.

Codo a Codo 4.0   Argentina
Full-Stack JavaScript + Node.js Programmer   *February 2024 - July 2024*
Knowledge: Relational Databases (MySQL), DOM Manipulation, API Development with Node,
Object-Oriented Programming, Modularization, Teamwork, Event-Driven Programming,
JSON, Middleware Implementation, Servers with Express.js, HTTP Requests with Axios,
API Deployment, Front-End Deployment, Logic and Coding with JavaScript, HTML5 Layout,
CSS Styling, CORS, Sequelize, Bootstrap, Git & GitHub.

Todo Code Academy   Argentina
API Development with Spring Boot   *Completed*
Knowledge: Relational Databases (MySQL), Dependency Injection,
JSON, Project Modularization with Spring, API Development with Spring Boot,
JPA (Hibernate), Docker.

Instituto Superior de Carreras Cortas   Argentina
Administrative Secretary with Specialization in Informatics, Law, and Accounting   *January 2021 – January 2022*
Knowledge: Finance, Accounting, Law, Handling Office Suite Tools (Excel, Word, PowerPoint),
Informatics and Computing, Administration.

Experience

- **Full-Stack Developer**

  2023– Present

  - Developed flexible and adaptable software for regional SMEs, customizing each application according to their needs and preferences.

  - Implemented electronic billing through integrations with the AFIP web service.

  - Used Amazon RDS to host client databases in the cloud, ensuring security and accessibility.

  - Continuously refactored code to ensure more robust and efficient applications.

  - Developed landing pages and e-commerce platforms for small businesses, providing customized digital solutions to promote their products and services online.

  - Developed software for medical centers, integrating back-end (API with Spring Boot) & front-end (HTML, CSS, Axios, JavaScript).

  - Developed a project with Spring and Tesseract AI, using OCR (Optical Character Recognition) technology to extract text from images of invoices, receipts, etc.

  You can view some DEMO's of my projects at: *https://github.com/Athan98/mi-portfolio*

- **Community Management Service**

  2024 – Presente.

  - Social media management.

  - Design and development of logos, pages, flyers.

  - Creation of BOTs for task automation.

  - Communication, advice, and negotiation with potential clients.

Technical Skills

- **Front-end:** HTML5, CSS, Javascript, Boostrap, Axios.
- **Back-end:** Node.js, Express.js, Spring Framework, API's.
- **Databases:** MySQL, JPA(Hibernate), Sequelize, Amazon RDS.
- **Programming Languages:** Java, Javascript, Python.
- **Tools:** NetBeans, Eclipse, VSC, Git, GitHub.
- **OCR:** Tesseract.
- **Containers:** Docker.
- **Community Manager:** Social Media, Design, Communication, Task Automation with BOTs
- **Accounting:** General, Analysis.
- **Administration:** Financial, Strategic.
- **Mathematics:** Analysis, Calculus.
- **Law:** private and public.
- **Statistics.**
- **Economics:** Micro, Macro.
- **Legislation:** Tax.
- **Informatics:** Excel, Office, Google Sheets, Google Drive.
